

VocaSafe Watch™ — November 2025 Content Calendar

(Theme: "Reimagining Communication through AI, Connection, and Inclusion")

WEEK 1: Brand Awareness & Mission — "A New Era for Every Voice"

Objective: Announce the evolved mission — from a smartwatch to an ecosystem. Build curiosity and emotional connection.

Platform	ContentType	Key Message
Post 1	Hero Visual + Caption	"VocaSafe Watch™ is evolving — from a wearable to a connected ecosystem empowering every voice, anywhere, anytime."
Post 2	Founder Quote Graphic	Catherine's quote: <i>"This isn't just technology — it's about dignity, connection, and safety."</i>
Post 3	Explainer Carousel	"From AAC to AI: How VocaSafe Learns, Adapts, and Empowers."
Post 4	Short Video Clip	Animated walkthrough showing AAC user + caregiver + therapist connection in one flow
Post 5	Blog Snippet	"The Future of Communication is Connected — Inside the VocaSafe AI Ecosystem."
Post 6	Behind-the-Scenes	"The people building inclusion — meet the minds behind VocaSafe."
Post 7	visual explainer	"VocaSafe adapts to every language, every learner, every environment"

Weekly Blog:

Title: The story behind the pivot, early lessons, and how AI and multilingual design are redefining inclusive communication

Focus: The story behind the pivot, early lessons, and why connection matters more than hardware.

WEEK 2: "AI Innovation for Accessibility & Global Communication"

Objective: Highlight the intelligence behind VocaSafe — adaptive AI, multi-device connection, personalization, and language diversity.

Post 1

Graphic Breakdown

"Three apps. One mission." Visual showing AAC App, Caregiver App, and Therapist dashboard
